High School Connect builds lasting relationships between college admissions counselors, high school counselors and their students to help drive successful student recruitment.

Benefits For Colleges

- Easy, direct contact & scheduling with high schools
- Recruit where you can't be physically
- Approachable, online way for students to engage
- Expands recruiting reach
- More cost effective than in-person recruiting

Benefits For Counselors

- Direct contact with colleges & admissions officers
- Easy scheduling & tracking, less administrative burden
- Offers students far more colleges to explore
- Brings college experts into the classroom
- Enables closer relationships with college reps, online

Benefits For Students

- Exposure to more colleges than in-person methods
- Approachable, online way to engage with colleges
- Easily and cost-effectively enables multiple interactions with target colleges
- Provides valuable information about making the right college decision

of Colleges & Universities

"Our students are only able to interview in person with the handful of colleges that choose to visit our school. With High School Connect, my students will be able to chat online with admissions representatives from a much broader range of colleges and universities than ever before."

- Terry Henry, Ben Davis High School

"High School Connect gives the university a way to connect with students at their feeder schools as well as high schools that they don't visit in person."

- Jeff Fuller, Director of Student Recruitment
University of Houston
